

ORDINANCE NO. 512

AN ORDINANCE ESTABLISHING THE REQUIREMENT THAT
USERS OF THE LAS ANIMAS PUBLIC SEWER SYSTEM WHO
DO NOT OBTAIN 100% OF THEIR WATER FROM THE
LAS ANIMAS PUBLIC WATER SYSTEM SHALL METER THEIR
SOURCE OF WATER.

WHEREAS, the City Council of the City of Las Animas,
Colorado, has determined that some users of the Las Animas Public
Sewer System do not pay their fair share of sewer rates because
such rates are based on usage of water from the Las Animas Public
Water System and such sewer users obtain part or all of their
water from sources other than the Las Animas Public Water System,
and

WHEREAS, the City Council of the City of Las Animas has
determined that a more equitable way to assess sewer rates is to
base said sewer rates on the total amount of water being used by
the user and thus requiring the metering of water obtained from
sources other than the Las Animas Public Water System.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE
CITY OF LAS ANIMAS, COLORADO, that Ordinance No. 500 be
amended by the addition of the following paragraph 13 to ARTICLE
IV of said Ordinance:

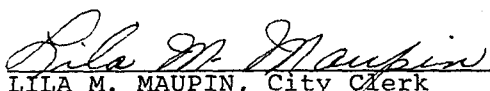

13. All new users connecting to the Las Animas Public Sewer
System and not obtaining 100% of their water from the Las Animas
Public Water System shall meter their source of water. Any meter
installed for such purpose shall be installed in accordance with
City of Las Animas specifications and all installation and
maintenance costs shall be borne by the user.
